## **Nickelodeon Ambassador Program**

Want to have a direct impact on your community? Become a Nick ambassador!

We are looking for volunteers willing to advocate for the theater, promote special programming and engage with our audience.

As an Ambassador, you will need to learn about the theater's mission and services, assist staff during special programming, events or represent the Nick by manning an information table at Indie Grits or a community event.

If you are interested in being a part of this program, please notify the Volunteer Coordinator or Theater Operations Manager.
